Georgetown University and the World Economic Forum (WEF) jointly hosted a roundtable on Capitol Hill on deepening the dialogue between Islam and American politics. Participants discussed issues raised in the inaugural publication of "Islam and the West: Annual Report on the State of Dialogue."

Islam and American Politics: Deepening the Dialogue

I remember the first time I read this book, and its uncanny presentation of something which has become a central fact of American and European life: the completely strange alliance between the ultra-left faction and the Islamic jihadis. Since then, events have confirmed Horowitz over and over again. George Galloway is a shining example.

A blasphemy signifying belief in three gods. In Islam, the Trinity is mistakenly thought to be God, Jesus, and Mary: The one God is eternally revealed in three coequal and coeternal persons: God the Father, God the Son, and God the Holy Spirit Sin: Sin is disobedience to the established law. Sin does not grieve Allah. Sin is rebellion against God.
