About First Along the River | First Along the River

Indeed, in the city's first application attempt, the "secretary of the interior refused San Francisco's application to dam the Tuolumne." However, two years later, after the 1906 SF earthquake, the city applied again and "this time a more sympathetic secretary acquiesced" (First Along the River, p. 67). Muir was devastated by the ...

As a handscroll, unrolling this work literally unfolds the life and activities of fishermen along isolated river inlets. The bare trees and dry reeds show that the season indeed is winter. The artist Zhao Gan paid so much attention to detail that he even sprayed dots of white pigment to illustrate the first wind-driven flakes of snow.
