Olivia is brand new to guided reading, so I knew I needed to really “break it down”...or translate a guided reading lesson into small, concrete steps or parts. In a small group PD session right before the start of our coaching cycle, I was able to walk her and a few other of our new teachers through the basic structure of what a guided

## Guided Reading

### Checklist

I recently updated my Guided Reading Binder and wanted (and desperately needed) a new guided reading form to keep more organized and teacher-friendly reading notes. I found that keeping individual papers for each student on each book was too tedious and took up too much paper/time. To help, I made a new guided reading template which I have been using to

## **friendly checklist**

Guided reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or 'scaffolds' their students as they read, talk and think their way through a text (Department of Education, 1997).
