6 reviews of Sayenko Design "I am very impressed with Sayenko Design. They delivered an outstanding design despite my not really knowing exactly what I wanted when we started. Mike is a great communicator, was patient and really listened to my feedback. I highly recommend them to anyone looking to brand their business or drive traffic to their website!"

"The Redmond Company was hired as the general contractor for the Staybridge Suites Hotel project in Franklin, Wisconsin. Redmond's early involvement in the project allowed us to evaluate multiple structural systems and the costs for building prior to design implementation and bidding, this proved to be extremely valuable in minimizing project costs.

Staybridge Suites Hotel - The Redmond Company

Look, too, for a website design company that understands responsive design and can optimize your website for mobile devices and desktop browsers. The right web design company understand current design and website trends, has experience building sites in a variety of industries (not just yours), and has an expansive portfolio of live websites.
