Girl Logic: The Genius and the Absurdity books; It was arbitrary how I found this book before this I was an egregious reader but now I can read picture books.

Books PDF Girl Logic: The Genius and the Absurdity

"Girl Logic" is Iliza's term for the way women obsess over details and situations that men don't necessarily even notice. She describes it as a characteristically female way of thinking that appears to be contradictory and circuitous but is actually a complicated and highly evolved way of looking at the world.
