Buy Trading Chaos 2nd Edition and then buy "New Trading Dimensions" (his second book) and read chapters 9 - 11. Those chapters will give you more ideas of the SCOPE of just what is possible when you simplify your trading and align it with natural market tendencies (chaos principles). The actual trading methodology is not really of interest to me.

Project management is about making things happen. Good project management is what makes the real work a success. Bad or missing project management can taint and nullify the efforts of even the most talented people. It doesn't matter how brilliant your work is if the project as a whole is twice as expensive as intended, or a year late.
