L2 field. Indeed, L2 motivation researchers have always believed that a foreign language is more than a mere communication code that can be learnt similarly to other academic subjects, and have therefore typically adopted paradigms that linked the L2 to the individual's personal 'core,' forming an important part of one's identity.

Chapter 2 The L2 Motivational Self System

In relation to L2 motivation and identity, the push for new thinking has also come from much stronger voices of dissent among those working in the area of language and identity in sociolinguistics. Several scholars have openly criticised traditional social psychological notions of identity inherent in much L2 motivation research to date.
