Patients And Doctors Life Changing

In Patients and Doctors, physicians from around the world share stories of the patients they'll never forget, patients who have changed the way they practice medicine. Their thoughtful reflections on a variety of themes—from suffering to humor to death—help us to understand the experience of doctoring, in all its ordinary and extraordinary aspects.

Patients and Doctors: Life-Changing Stories from Primary ...

There are two aspects to changing doctors: leaving one doctor, and finding and seeing a new one. Once you have decided you have valid reasons for changing doctors, you'll want to be sure to do it the right way. If you don't, you may be left out in the cold when it comes to finding a new provider to meet your needs.
