### Political Sociology: A Critical Introduction by Keith ...

Parsons was identifying political sociology with the behaviouralist approach, which dominated the subject from the 1940s to the 1970s. This chapter contends, however, that political sociology has its roots, not in the 1940s, as Parsons implies, but in the early nineteenth century, when the German philosopher Hegel first theorised a clear separation between the state and civil society.

### Political Sociology: A Critical Introduction - Keith ...

While both the macro- and micro-areas of political sociology overlap with political science, the distinctive focus of political sociologists is less on the internal workings or mechanics of the political system and more on the underlying social forces that shape the political system. Political sociology can trace its origins to the writings of Alexis de Tocqueville, Karl Marx, Emile Durkheim, and Max Weber, among others, but it only emerged as a separate subfield within sociology after World ...
