Semantic Service Provisioning Author Dominik

Semantic Service Provisioning 2008th Edition by Dominik Kuroпка (Editor), Peter Tröger (Editor), Steffen Staab (Editor), Mathias Weske (Editor) & 1 more ISBN-13: 978-3540786160

Semantic Service Provisioning: Kuroпка, Dominik, Tröger ...

The main reason for this is the lack of rich service specifications, concepts, and tools to process them. This book introduces advanced concepts in service provisioning and service engineering, including semantic concepts, dynamic discovery and composition, and illustrates them in a concrete business use case scenario.

Dominik KUROPKA | Senior Product Manager | Dr.

Even though semantic service provisioning is still a hot research topic, many projects and collaborations already gained a tremendous amount of experiences. This chapter sketches the prototype experiences from one of these projects, the European integration project ASG, which was also the starting point for this book.

Application and Outlook | SpringerLink

A semantic web service, like conventional web services, is the server end of a client-server system for machine-to-machine interaction via the World Wide Web. Semantic services are a component of the semantic web because they use markup which makes data machine-readable in a detailed and sophisticated way (as compared with human-readable HTML which is usually not easily "understood" by ...
