Stenhoj lifts have been around since the early 1900s—the Danish Stenhoj company launched in 1917 and has implemented its lifts the world over. If you own a Stenhoj lift, SVI can help you restore it to proper working order for the long run.

Stenhoj | SVI International, Inc.

2-post lifts - The 2-post lift is the classic in the repair shop. Different installation dimensions of the columns and easily adjustable swivel arms allow a safe lifting of different vehicles up to 6.5 t. Irrespective of the ground conditions, a two-column lifting platform can be quickly mounted, driven either electromechanically or hydraulically, depending on your demands.
