All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

The Structure Of The Chinese
Structure of Chinese Classical Chinese (□□) Until the early 20th century Classical Chinese (□□ wényán), was the main form of writing in China. There many regional variations in the forms of characters, and they also changed over time, but they were standardised during the Qin Dynasty (□□ - 221–206 BC).

The Structure of the Chinese script - Omniglot
Chinese architecture stresses the visual impact of the width of the buildings, using sheer scale to inspire awe in visitors. This preference contrasts Western architecture, which tends to grow in height and depth. This often meant that pagodas towered above all other buildings in the skyline of a Chinese city.

An Overview of the Chinese Communist Party
A common sentence structure is in three parts: subject + predicate (verb) + object. Unlike English, most of the time in a simple Chinese sentence, the predicate is a verb, although sometimes it can be an adjective. For this guide we will refer to the predicate as a verb, unless stated otherwise. This is known as the trunk of a simple sentence.
